

**Christine M. Simmon – Association for Accessible Medicines
*Senior Vice President, Policy & Strategic Alliances and
Executive Director, Biosimilars Council***

Christine Simmon joined the Association for Accessible Medicines in 2012 as the Senior Vice President of Policy & Strategic Alliances, and in 2015 was named to the additional role of Executive Director of AAM's Biosimilars Council.

Christine is responsible for leading policy development and issues management for AAM, directing the Biosimilars Council, and building relationships with strategic partners in the health care sector, including patient advocacy groups.

Christine had previously served as Vice President of Policy, Public Affairs & Development at AAM from 2002-2006. Before rejoining the association, she was the Senior Director of Public Policy for CVS Caremark, where she was the policy lead for the integrated retail, convenient care clinic and PBM enterprise at both the state and federal levels. Previously, Christine was a Senior Policy Analyst at BlueCross BlueShield Association, where she helped position the insurer as a leading voice on pharmaceutical cost and safety issues.

Christine received her J.D. from Georgetown University Law Center and her B.A. in American Studies from Georgetown University.
